2nd edition • 05 October 2011

Hotel Grand Elysée, Hamburg, Germany

Junior European Robotic Urology Symposium Going from Bedside Surgeon to Console Surgeon

Are you a resident or young urologist, interested in robotic surgery? Are you already assisting at the bedside or making your first steps at the console?

Don't miss the 2nd edition of the Junior ERUS.

We will bring you all you need to know about training facilities, bedside assisting and performing the first cases at the console.

First prize poster & video contest: 1 month fellowship in a referred European Robotic Centre.

Hope to meet you on the 5th of October!
